Leader's Guide

WHAT IS THIS EVENT ALL ABOUT?

The Shooting Sports Committee has planned this event as a fun activity for all Scout BSA and Venturers in the Northwest Georgia Council as an introduction to the exciting world of shooting sports using the great facilities we have at Camp Sidney Dew. Note that, even though we will be teaching the same skills and knowledge necessary to complete the shooting sports merit badges, we will not be certifying completion of any merit badge requirements. If you are interested in scheduling your troop to work on any shooting sports merit badge, Contact Camp Sidney Dew to reserve the range and they will get you in touch with one of our certified instructors.

REGISTRATION

Registration is available online on the council website www.nwgabsa.org. Regular registration costs \$10 and must be complete by September 8th. Late registration costs \$15 and is available online from September 9th through the 13th. NO WALK-ONS WILL BE ALLOWED. If you are not registered before the event, you will not be allowed to participate unless we have no-shows of registered participants. A maximum of 100 registered participants will be allowed. The registration fee covers all ammunition and target costs.

Check-in at Camp Sidney Dew on Saturday morning will be at Hubbs Recreation Center from 8AM to 9AM. The main gate will be open at 7:30AM for early arrivals. All vehicles must be parked in the main parking lot.

TROOP CAMPING

This is a one-day event on Saturday. If your troop wants to camp over the weekend and participate in the event, they should register for camping in the normal way for camping at Camp Sidney Dew. Campsite reservation form is at <https://www.nwgabsa.org/SidneyDewReserve>

MEALS

You are responsible for your own lunch at this event. You should eat breakfast before you arrive and will be dismissed in time to eat supper at home. Your options are to bring a sack lunch from home, buy something at the trading post, or to cook as a troop. The trading post will have a limited supply of hot dogs as well as drinks and snacks. Remember to bring a water bottle to carry with you throughout the day to help you stay hydrated.

ACTIVITIES

Upon arrival participants will be divided into patrols. Following a mandatory safety class for everyone, which begins promptly at 9AM in the Eagle Chapel, these patrols will go round-robin style through all stations. We will have 4 stations which could include rifle, shotgun, throwing knives, tomahawks, or slingshot. Participants will have a chance to test their marksmanship. Do not bring personal equipment, camp equipment must be used.

Each session of the round robin will include 45 minutes of shooting time and 15 minutes to move to the next station.

DISMISSAL

All activities are scheduled to be completed by 5 PM. Unless Scouts are camping with their unit, parents should be at the camp no later than 5 PM to pick them up.
