

November 13-14, 2020

BALOO (Basic Adult Leader Outdoor Orientation) is the Cub Scout leader training required for any Cub Scout den or pack outdoor event, including pack camping overnights and Webelos den overnights.

BALOO training is comprised of two components—an online component and a practical, hands-on component. Both components must be completed to qualify as a “TRAINED” Cub Scout outdoor leader. The online component must be completed prior to the practical component. The online training contains introductory and basic information that will be built upon during the practical training. The online training can be found at my.scouting.org.
