Avast me hearties! Welcome, to the 2022 Northwest Georgia Council Cub Scout Adventure Camp - Shipwreck Island!

On behalf of our entire Camp Sidney Dew staff, welcome to Shipwreck Island – the 2022 edition of our Cub Scout Adventure Camp! Your Cub Scout is about to embark on a fun-filled journey that will be talked about for years to come. Our goals for these camps are to keep everyone safe, provide opportunities for advancement, instill Scouting values in each participant, and create “old-man memories.” We will ensure that your Scouts (and parents!) have an exciting, fun-filled time at camp, whetting their appetites for the adventures to come in the years ahead.

At Camp Sidney Dew, you will find a friendly atmosphere, where we seriously take the needs and successes of every Scout, den, and pack into account. We have worked hard to assemble a staff of adults and older Scouts who are good leaders, trained in Scout skills, teaching methods, and first aid, and who enjoy sharing their scouting knowledge. We have taken feedback from the previous year’s programs and are making changes to enhance the experience for everyone.

In this guide, you’ll find the information you need to register and prepare for Shipwreck Island. This year, we have also scheduled several Parent Meetings to answer questions and receive feedback which will help us improve everyone’s experience. We will be offering two Zoom meetings and one in-person meeting to help accommodate everyone’s needs. Please see further below in the Leaders’ Guide about specific dates and times for these meetings. In addition, we have scheduled meetings for Arrow of Light participants and their parents to provide information about our new and improved Arrow of Light program, newly re-named, the SAS(QUATCH)-WALK!

Please feel free to contact us with any questions, concerns, or feedback you may have:

Susan Davis – Shipwreck Island Camp Coordinator: susand2006@gmail.com

George Henington - Camp Director: george.henington@scouting.org

If there is anything that we as a staff can do to make your stay pleasant and enjoyable, please let us know. We look forward to seeing you at Shipwreck Island in June!

Yours in Scouting,

Susan Davis & George Henington

CHECK-IN

Check-in will take place in Simmons Shelter between 2:00 PM and 4:00 PM on Saturday, June 25. All units/individual participants will be contacted the week prior to camp to schedule a specific check-in time. At check-in, please have the following: BSA Medical Form, parts A and B for each youth and adult attending, and a copy of each adult's Youth Protection Training certificate.

After check-in, campers will be escorted to the pool for swim checks (weather permitting) and then taken to their campsites to set up. We hope to have everyone's gear hauled to campsites by the time they arrive there. Units are also welcome to bring a trailer which will be escorted to campsites at check-in.

Please be aware that swim checks CAN be performed prior to camp! Contact Susan Davis for more information. Any adults planning to participate in the Arrow of Light parent program should plan to take a swim test as well.

ARROW OF LIGHT PROGRAM

After positive reviews and constructive feedback from last year's Arrow of Light Trek program, we've made lots of changes and are excited to announce the new and improved SAS(QUATCH)-WALK Program, specifically designed to introduce Arrow of Light scouts to skills they'll need when they cross over to Scouts BSA troops. For those of you who may be familiar with our Spike Buck program for first-year campers at Summer Camp, think of the SAS-WALK program as a prequel to Spike Buck!

For more detailed information regarding the SAS-WALK Program, please see the SAS-WALK Program Guide!

SAMPLE SCHEDULE

Please be aware that this schedule is only tentative. We advise you NOT to share this schedule with youth as activities may be changed or removed prior to camp and we do not want any campers to be disappointed! This is only meant to be a sample of what to expect! Final schedules will be given to units at check-in. For more information regarding the Arrow of Light SAS-WALK program, please see the SAS-WALK Program Guide (coming soon!).

ACCOMODATIONS

All participants will be housed on the lean-to side of camp. Each lean-to sleeps four in two sets of bunk beds. Lean-to's are mini-cabins with walls on each side and back with the front wall being open to allow for air flow. Each campsite is equipped with a latrine and sink for brushing teeth and hygiene.

Most campsites are also able to accommodate tents and hammocks. If either of those options are your preferred sleeping arrangement, please let us know so that we may place you in a campsite conducive to those options.

Shower house #2 (behind the fishing shelter) will be open during the camp for showers and toilet facilities.

FOOD AND DIETARY ACCOMODATIONS

Camp staff is hard at work communicating with our Summer camp Kitchen Director to create a menu that will be nutritious and delicious for everyone. Feedback from last year showed that parents and leaders appreciated having the camp's menu in advance so we will be working to make that happen again this year.

During registration, each participant was asked to let us know about any dietary accommodations they might need. If, at any point, we need to modify a menu for your child because of a medical condition or any other reason, please let us know.

MEDICAL

A camp medic will be available 24-hours a day during the camp. In order to assist the medic and to abide by Boy Scouts of America rules and NCAP regulations, all participants must provide a copy of the BSA Medical Form, parts A and B at check-in. No one will be permitted to remain on camp without one.

For those who need to bring medications to camp, please do the following:

Medications must be in the original containers and checked in with the Camp Medic during check-in

Medications may stay with the unit/participants only if they are double-locked

If you have any questions regarding medical forms or medications, please contact us!
