### Who Should Attend ?

Any Registered Scout BSA Tenderfoot or above  
Recommended with at least 1 year of Scouting but not required.

### What will I Learn ?

- Organizing the troop
- Troop Position responsibilities
- Planning and organizing activities and meetings
- Assigning duties to others, Duty Rosters
- Planning menus and estimating food costs
- Encouraging advancement throughout the troop
- Guiding a troop's involvement in problem-solving
- Teaching outdoor and scout skills
- Ensuring the troop's safety during meetings and outings
- Helping other Boy Scouts make the most of their own leadership opportunities

### What about Adult leaders ?

Scoutmasters and other leaders can experience the patrol method and an in-depth analysis of what their scouts are experiencing in Green bar training. Troops don't have to send adults as the course has adult staff during the entire time.

### What is Green Bar ISLT ?

Greenbar ISLT is a combination of the National BSA Syllabus Introduction to Leadership Skills for Troops and the Principles and Skills of the patrol method developed by Green Bar Bill Hillcourt.

The Course presents the skills in a practical unique fun environment of an actual patrol. Youth Instruction presented to youth as the real patrol experience.

The course is designed to train an entire patrol or train select youth leaders of a troop and supply them with resources and confidence to return to their unit and execute such training within their unit.
